

June 2022

Dear Parents,

Wow its June! This year has really flown by. I had the privilege to get to know each and every one of your incredible children this year. I watched them grow socially, emotionally, and of course academically. We all came in September as strangers, but we leave now in June as friends and family. I thank you from the bottom of my heart for all your support this year: Mystery Readers, supply donations, holiday parties and much more. Without your support and dedication, the year could, and would not have run as smoothly as it has. Each of your children have a special place in my heart. Thank you again for an incredibly successful year. Have a happy and healthy summer!
