

Ms. Vallarelli's March Newsletter

Dear Parents,

As we enter March, we patiently wait for warmer weather to approach. Everyone is excited for more outdoor time, no more bundling, and the warm sun shining down on their smiling faces. February was a great month with lots of learning about numbers, letters, and spreading the love to everyone in the class!

Here is a glimpse of our February highlights:

Dental week- The whole class had a blast learning about foods that are good and bad for their teeth, learning the importance of keeping their mouths squeaky clean, and can't forget about a visit from a dentist!

Valentine's Day- Everyone had so much fun eating all the Valentine themed snacks (thank you everyone who were able to bring in snacks) and passing out their special valentines to each friend.

Throughout this month, we will continue to learn the letter of the week and numbers. We will be celebrating Dr. Seuss' birthday by doing crafts, reading many of his famous books and celebrating each day with something special. Also, we will be celebrating the 100th day of school!

Here are the themes for March:

- Dr. Seuss, Weather, St. Patrick's Day,
- Letters: Ss, Tt, Uu, Vv
- Numbers: 8, 9, 10, 11
- Shapes: rectangle and shamrock
- Colors: grey and green

Here are some important dates for March:

- March 3rd– 7th: Celebration in honor of Dr. Seuss
- March 4th: 100th Day celebration
- March 10th– 14th : Community Helper Week
- March 17th : St. Patrick's Celebration
- March 27th : Donuts With Dad

Happy birthday to Thabi and Ritsuki!
