Dear parents:

The time is just flying by! We spent last month talking about winter, arctic animals, and winter apparel. This month we will be focusing on dental health, and Valentine's Day, and continue our count down to the 100th Day of school, just to name a few. What better way to express love and how important our family is, then during Valentine's Day? The children will be learning about love and family. We will be discussing the people in our family and how much we love them. We will also be talking about different ways we can show love through acts of kindness!

This month we will also be focusing on the:

- Number: 6, 7, 8
- Color: Black, Orange, And Brown
- Shape: Heart

In addition to our weekly religion lessons, the children will be learning the Hail Mary, and the Our Father. We will also be discussing St. Valentine and Lent.
