The themes for the month of April: Easter, Weather (rain and clouds), Spring, and Earth Day/Arbor.

We will begin April by discussing the change of the season. Next, we will continue to learn about word families and rhyming. Finally, we will discuss the religious aspect of the Easter holiday. We will accomplish this while adhering to all the safety protocols.

Math:

The numbers twenty-one, twenty-two and twenty-three will be introduced. Cone, Pyramid, and Cube shapes will be introduced. There will also be a daily review of numbers, shapes, and the identification of patterns.

Art Projects:

Some of our art projects will include: coloring hard boiled eggs, painting with pompoms, and fingerpaint a model of the Earth. These activities will develop small muscle skills, eye/hand coordination, and the development of skills for cutting and writing.

Religion:

We will help the children understand the meaning of Easter and all of the family customs that are part of the Easter celebrations. The children will also be encouraged to help one another in preschool and being kind will be promoted with a "Caught Being Kind" Certificate.
