

Ms. Vallarelli's February Newsletter

Dear Parents,

February is upon us already! Two months into the New Year and your children are learning so much! We are diving into letters, numbers, and name writing. They all make special sounds, they all have their own shape, and when you put them together you form words! Every day we are exploring and loving letters.

Here is a glimpse of our January highlights:

January Themes- We learned about the new year and created crafts revolved around 2022! We also talked all about winter and arctic animals. Students made an abundance on snowmen, snowflakes, mittens, and arctic animals crafts to reinforce the learning.

Martin Luther King Day- The students loved learning about Martin Luther King Jr. We read a book, talked about how he changed the world for the better, and some kind things that have done for others.

February is going to be filled with many fun activities and crafts. It will be a month when we focus on the importance of love, community helpers, St. Valentine, and some presidents. Here are the February themes:

- Chinese New Year
- Groundhogs Day
- Dental Hygiene
- Valentine's Day
- Nursery Rhymes

Here are some important dates for this month:

- 2/1 Dental Hygienist visit
- 2/14 Valentine's Day Celebration
- 2/21-2/25 WINTER BREAK

Happy Birthday to:
Riko and Mia!

If you have not already, please bring in a pair of warm clothes. The weather is cold so I would like to swap out the shorts and tee-shirts for pants and long sleeves.

If you have any questions please feel free to contact me at – kmvallarelli@gmail.com

Best,

Ms. Vallarelli, Mrs. Anne, and Mrs. Carolyn
