September Newsletter

Welcome back to school, parents! Hope you have had a great summer, we are so excited to have you and your children in our class.

For this month, your child will be working on learning the daily routines in the classroom – signing in, putting their things away in their cubbies, washing hands, following rules to keep us safe, and getting ready for the day. We will also be reading a lot of books about the first days of school, songs and prayers we sing for Circle Time, how to be a good friend and how to work well together. We are excited to get to know your children better! We have a lot of learning and fun in store for your children this year.
