Math:

The lessons will include comparing sizes. The numbers one, two, three, and four will be introduced. There will also be a daily review of numbers, shapes, and the identification of patterns.

Art Projects:

Some of our art projects will include: making baskets for the Teddy Bear Picnic, creating a Firefighter out of various shapes, and creating a firefighter mobile. These activities will develop small muscle skills, eye/ hand coordination, and the development of skills for cutting and writing.

Religion:

The children will be encouraged to help one another in preschool and being kind will be promoted with "Caught Being Kind Certificate". A discussion of St. Francis of Assisi will take place. We will introduce the "Our Father" prayer.
