

January Newsletter

Miss Rhiannon - Room 7

Happy New Year, it's 2024! We hope you all had a fabulous Christmas and enjoyed your time with your families! Thank you for your continued support and cooperation in helping to make the first four months a smooth transition into our school year!

During the month of January, we will be learning about the all things winter, snow and winter and hibernating animals! The children will listen to numerous stories to learn about our January themes! Our activities will include decorating 2023, making snowflakes, mittens, snowmen, polar bears, penguins etc.!

As a reminder, please send in a nut free snack; if it is processed in a facility that has nuts in it, we cannot open it. Also, have your children go to the bathroom before class begins and continue to practice independence at home.

Now with the weather getting colder, please send your child in with a hat and gloves or mittens (with their items labeled); little hands get cold very quickly!

What we are Learning This Month:

Letters: Mm, Nn, Oo

Colors: Blue, White

Shapes: Rectangle, Oval

Any questions or concerns, please don't hesitate to email me at missrhiannonl@gmail.com
