

Ms. Vallarelli's September Newsletter

Wow, did the summer fly by or what! September is here and the new school year has begun. The first month of school will be an enjoyable one where we look forward to getting to know all about your child. We have a lot in store for this school year and will be sending monthly newsletters to keep you informed! This month we will focus on "All About Me" theme. We will learn about your child's favorite things, their family members, and recognizing their name. Here are our themes for September:

All About Me- Students will be studying their own special qualities and features, recognizing their names, and telling us all about their unique families.

Apples- The apple theme will engulf our classroom! Pictures, diagrams, hands – on (oh my!) will surround the kiddos. Students will learn all about the differences and similarities of apples. Our centers will include an apple tree where kiddos can make apple pies in our dramatic play area, apple color sorting, apple patterns and more!

Each month we will also focus on a specific color, shape, number and community helper. This month we will be discussing:

- ♥ Number – 1,2
- ♥ Color- Red
- ♥ Letter – Aa, Bb
- ♥ Shape- Circle
- ♥ Community helper(s) - Teachers, Bus drivers, Crossing guards, Librarians.
