

Mrs. Sciacca's March Class News

Wow! February went by fast! March is now here and Spring will be here soon enough!!! Our classroom is very busy this month. We begin by celebrating Dr. Seuss's birthday. Then we will begin a month-long unit on animals. We will learn about the various animals found in the jungle, at the circus, and in the zoo. We end the month by welcoming Spring!

March Birthdays

Dr. Seuss – 2nd

Reminders:

Please continue to send healthy snacks and water each day.
Please bring your child to the bathroom before entering class.
Please be sure to check your child's folder/backpack **every** day!

Upcoming events

- Mar. 1 – Mardi Gras/Dr. Seuss Week
- Mar. 2 – Parent Zoom 7 PM; Ash Wednesday
- Mar. 15 – Zany Dress Down Day (mismatched, backwards clothes, shoes, etc)
- Mar. 17 – St. Patrick's Day – wear green
- Mar. 19 – St. Joseph's Day

What we are learning this month ...

During the month of March, we will learn about Dr. Seuss, St. Patrick's Day, Circus, Zoo, & Jungle Animals!!!!!!

We continue to use our selection of poems and books to learn our thematic units. Students will be introduced to 'picture walks'. This will help to foster their ability to make predictions. We will also begin to work cooperatively to create our own classroom stories.

Our activities will include theme related projects that incorporate multidisciplinary skills.

Our discussions in Science & Social Studies will center on the season of Spring, the colors of the rainbow, and a study of the various animals found in the jungle, the zoo, and the circus.

In Religion, we will focus our lessons around Easter. We will discuss the words 'savior' and 'resurrect.' We continue to master the Our Father & the Hail Mary.

Our Math lessons will include counting, number recognition, grouping & patterns. We will continue to foster number sense.
