

# February Newsletter

MISS RHIANNON - ROOM 7

Happy February! We hope you all had a fabulous start to your 2025! Thank you for your continued support and cooperation in helping to make the first five months a smooth transition into our school year!

During the month of February, we will be learning about the Groundhogs Day, Dental Hygiene, Presidents Day, Nursery Rhymes and Valentine's Day! The children will listen to numerous stories to learn about our February themes! Our activities will include a groundhog, presidents mask, valentine cards, etc.!

As a reminder, please send in a nut free snack; if it is processed in a facility that has nuts in it, we cannot open it. Also, have your children go to the bathroom before class begins and continue to practice independence at home.

Now with the weather getting colder, please send your child in with a hat and gloves or mittens (with their items labeled); little hands get cold very quickly
