The themes for the month of March: Dr. Seuss, Lent, St. Patrick/St. Joseph, and Spring.

We will begin March by discussing: St. Patrick's Day, Dr. Seuss, St Joseph's Day, and the 100th day of school. Next, we will continue to learn about word families and rhyming. Finally, we will discuss the first day of Spring and the changes in the weather. We will accomplish this while adhering to all the safety protocols.

Math:

The numbers seventeen-twenty will be introduced. diamond, star, and shamrock shapes will be introduced and cone and oval shapes will be reviewed. There will also be a daily review of numbers, shapes, and the identification of patterns.

Art Projects:

Some of our art projects will include: a birthday cake for Dr. Seuss, making a large 100th day Chart, and creating a cross for St. Patrick's Day. These activities will develop small muscle skills, eye/hand coordination, and the development of skills for cutting and writing.

Religion:

We will help the children understand the meaning of Lent. We will also discuss Saint Patrick. The children will also be encouraged to help one another in preschool and being kind will be promoted with a "Caught Being Kind" Certificate.
