

Dear Parents,

Happy spring! We look forward to beautiful spring weather. Your children will be able to enjoy the playground and nature outdoors. We had an awesome month of March. We celebrated Dr. Seuss, enjoyed Donuts with Dad, and loved the carnival! We made Dr. Seuss and St. Patrick's Day themed artwork. I conducted my spring assessments and your children have blossomed since the fall! In addition, we continued to learn new letters, numbers, shapes, colors, community helpers and about our faith. In April, a skill to reinforce at home is cause/effect and opposites. This month, we will discuss: Easter, Palm Sunday, Holy Week, Earth Day, spring, flowers, bugs and so much more! Some books we will read include: The Tiny Seed, I Love Bugs, How to Catch the Easter Bunny and much more! Please e-mail me with any questions/concerns.

Best Regards,

Miss Gerardi, Ms. Suzanne, Mrs. Klodiana, and Mrs. Dina
