

Ms. Vallarelli's March Newsletter

Dear Parents,

As we enter March, we patiently wait for warmer weather to approach. Everyone is excited for more outdoor time, no more bundling, and the warm sun shining down on their smiling faces. February was a great month with lots of learning about numbers, colors, and spreading the love to everyone in the class!

Here is a glimpse of our February highlights:

Dental week- The whole class had a blast learning about foods that are good and bad for their teeth, using toothbrushes as paintbrushes, learning the importance of keeping their mouths squeaky clean, and can't forget about a visit from a dentist!

Valentine's Day- Everyone had so much fun eating all the Valentine themed snacks (thank you everyone who were able to bring in snacks) and passing out their special valentines to each friend.

Throughout this month, we will continue to learn letters and numbers. We have also set aside time where each student will practice tracing their name. We will be celebrating Dr. Seuss' birthday by doing many crafts, reading many of his famous books and celebrating each day with something special. Also, we will discuss different types of weather and other great topics.

Here are the themes for March:

- Dr. Seuss, Weather, St. Patrick's Day, Jungle, Easter
- Letters: Qq, Rr, Ss, Tt
- Numbers: 17,18,19,20
- Shapes: rectangle and shamrock
- Colors: grey and green

Here are some important dates for this month:

- Feb. 26th- March 1st: Celebration in honor of Dr. Seuss
- March 13th: Easter Egg Hunt
- March 20th and 21st: School Carnival!
- March 25th - March 29th: Spring Break
- March 31st - Easter!

Happy birthday to Charlie, Thabi, and Caleb!
