

## January Newsletter

Happy New Year! I hope that everyone enjoyed their family time together over the Christmas Recess, and that the New Year holds only good things for everyone. We are ready to kick off the new year at preschool with lots of study and activities around the theme of "Winter." We will enjoy the season with experiments on freezing/thawing, creating beautiful snowy art, and learning about the habits of winter animals. We will be taking the children outdoors, unless it is too frigid, or we are "snowed in." Please make sure you send your children in with their winter gear: jackets, hats, mittens, etc. While we prepare for the winter in school and out, I'd like to take a moment to remind everyone about school closures. We follow Harrison School District. We will post on Channel 12 News, and you will receive a school wide email, voice messages, and text messages. In the event of a delayed opening, all A.M. classes will be cancelled, and only P.M. classes will be in session that day. We will be hosting our second Scholastic Book Fair at the end of the month! This will coincide with mystery reader, and Grandparents/VIP Day. Re-registration is officially open for our siblings, returning students, and alumni. **Don't miss out on your opportunity to register before the spots fill up!**
