Letters of the Month- Aa & Bb

Numbers of the Month- 1 and 2

Colors of the Month- Red

Shapes of the Month- Circle & Octagon

The themes for the month of September :

Welcome Back to School, School Rules, All About Me, Family & Friends, and Apples

We will begin September by enjoying the warm and sunny weather. Next, we will discuss the rules for indoor and outdoor play. We will then introduce letters Aa and Bb this month. Finally and most importantly, we will focus on getting to know all the children.

Art Projects:

Some of our art projects will include: creating a name mosaic with each child's name with various shapes, handprints, and a self portrait. We will also make apple print transfers. These activities will develop small muscle skills, eye/hand coordination, and the development of skills for cutting and writing.

Math:

The lessons will include charting the number of letters in our names. The numbers one and two will be introduced. There will also be a daily review of numbers, shapes, and the identification of patterns.

Religion:

The children will experience their new group as a warm, welcoming, community of friends and will look forward to all the things they will do and learn in preschool. We will introduce the "Our Father" and snack prayers.
