

APRIL NEWSLETTER

Miss Rhiannon - Room 7

Happy April! We cannot believe that it is April! We only have about 2 more months left together! We are so proud of how much the children have grown so far this school year! Thank you for your continued support and cooperation in helping to make the first five months a smooth transition into our school year! During the month of April, we will be learning about Outer Space, Earth Day, April Showers and all different types of weather! The children will listen to numerous stories to learn about our April themes! Our activities and crafts will include numerous Earth Day, and Raining activities!

The weather the last few weeks have been all over the place so please continue to send them in with jackets/coats, hats and gloves/mittens! Even if they do not need it when they come in, the weather changes quickly and they might need it when we go to the playground or for a walk!

****As a reminder, please send in a nut free snack; if it is processed in a facility that has nuts in it, we cannot open it.****
