Reminder

- **If you would like to contact me, please call the office and leave a message or put a note in your child's folder. I will call you once school is dismissed.**
- We will go outside daily, so please have your child wear play clothes, sneakers (no Crocs or open toed sandals), and appropriate outerwear.
- If your child wears rain boots to school, please send in sneakers.

Letters of the Month- letter review

Numbers of the Month- 21, 22, 23, 24, and 25

Colors of the Month- review all colors

Shapes of the Month- review all shapes

The themes for the months of May/June Creativity Projects, Butterfly Life Cycle, Cinco de Mayo, Mother's Day, Flowers, Memorial Day, and Alphabet Review

We will begin May by enjoying warm and sunny weather. We will discuss the changes in the weather, the outdoor environment, and release our butterflies. Next, we will discuss Cinco de Mayo and Mother's Day. We will review all the letters of the alphabet. Finally, we will continue to read from the literary works of Dr. Seuss and complete our projects for the Creativity Fair.

Art Projects: Some of our art projects will include: creating sombreros out of various shapes and materials, making fish using glue and shaving cream and creating a surprise gift for mom. These activities will develop small muscle skills, eye/hand coordination, and the development of skills for cutting and writing.

Math: Lessons will include charting our favorite Dr. Seuss books. The numbers 21-25 will be introduced. There will be a daily review of numbers, shapes, and pattern identifications.

Religion: The children will recognize that Mary is the mother of Jesus and loves and cares for them. We will help the children appreciate the gift of their own mothers.
