The themes for the month of January: New Year's, Winter/Snow, Hibernation, Polar Animals, Martin Luther King Jr.

We will begin January by discussing the holiday of New Year's and what a resolution is. Next, learn about different types of animals that hibernate and animals that live in colder climates. Finally, we will talk about Martin Luther King Jr. and how he dedicated his life to making sure everyone was treated equally. We will accomplish this while adhering to all the safety protocols.

### **Math:**

The numbers eleven, twelve, thirteen, and fourteen will be introduced. Oval and cone shapes will be introduced square and rectangle shapes will be reviewed. There will also be a daily review of numbers, shapes, and the identification of patterns.

### **Art Projects:**

Some of our art projects will include: A New Year's self portrait project using various shapes and a MLK hand print project. These activities will develop small muscle skills, eye/hand coordination, and the development of skills for cutting and writing.

### **Religion:**

We will help the children appreciate the way animals make our lives better and they are a gift from God. The children will also be encouraged to help one another in preschool and being kind will be promoted with a "Caught Being Kind" Certificate.
