

NEWSLETTER - MAY

From the Director's Desk:

Welcome to Spring! We are in the home stretch of the school year. I can't believe it's almost Graduation and Moving Up Day. Our three year olds and four year olds are all busily working on their programs and songs for their special celebration days. It's hard to believe I am sending out my final newsletter for the 2022-2023 school year. This year has moved at a very rapid pace with June just around the corner. We are already looking ahead to next year.

So, thanks for a wonderful year. We have all of you to thank for it. You always support us and when we need to look at things from a different perspective you let us know. Watching children grow and learn and laugh this year has helped us to grow, learn and laugh with them. Each child brings us their individual view of life and their individual quirks; in so many ways it is fun and expanding and challenging for us to try to tailor Saint Gregory the Great Preschool to work for all our children. With just a little more than a month left of school, we always have a difficult time saying goodbye to all our kids, especially those moving on to Kindergarten. We're ready for a nice relaxing Extended Preschool Program...and even nicer relaxing during our July

and August vacation. Enjoy your children and your summer and we will see some of you at our Extended Pre K Program in June, in September at Assessments/Meet and Greets, and for some when you stop by for a visit. We appreciate your letting us spend our time with you and your children.

Dates to Remember:

- May 1st: Staff Meeting & Teacher Appreciation Breakfast
- May 3rd: Parent Zoom Meeting 7 p.m.
- May 4th: May Crowning
- May 5th: Cinco de Mayo

Teacher Appreciation Luncheon at The Meadows

All Classes Dismissed at 11:30 a.m.

- Adrienne Utschig: Under the Sea
- Teacher Recognition:
- During Teacher's Recognition Week, May 1st to May 5th let us all gratefully acknowledge the wonderful teachers and assistants on our preschool staff. Let each of us take time to honor our teachers and assistants with a week long celebration of their daily commitment to our school and our children.

Suggestions:

- A Class Scrap Book - 1 Page for each child
- A Bouquet of Flowers
- A Book for the Classroom Library
- A Pail full of School Supplies
- Personalized Stationary

- A Homemade Card designed by the students
- A Gift Card
- A Treat, such as Coffee, Latte, Tea, a Bagel/Donut
- A Spa Basket

What Is A Teacher:

A teacher is someone who sees each child as a unique person and encourages individual talents and strengths.

A teacher looks beyond each child's face and sees inside their souls.

A teacher is someone with a special touch and a ready smile who takes the time to listen to both sides and always tries to be fair.

A teacher has a caring heart that respects and understands.

A teacher is someone who can look past disruption and rebellion, and recognize hurt and pain.

A teacher teaches the entire child and helps to build confidence and raise self-esteem.

A teacher makes a difference in each child's life and affects each family and the future of us all.

Monthly Themes:

- Birds
- Caterpillars/Butterflies
- Insects
- Plants
- Flowers
- May Day

- Cinco de Mayo
- Mary, Queen of Heaven and Earth
- Getting Ready for Summer

Mary's Month:

The Month of May is traditionally dedicated to Mary, the Mother of Jesus. We will celebrate May by crowning the statue of our Lady in our grotto on the front lawn of the school.

Muffins With Mom: Moms start your day with a sweet treat. Your child will be so proud to have you visit their classroom. In honor of Mother's Day all our mommies are invited to come to our preschool celebration, "Muffins With Mom." This is a very special event for our children. It is an opportunity for them to show off their school to their moms and share a tasty breakfast treat. The time will be from 8:45 to 9:45 a.m. on May 10th for our threes, and May 11th for our Fours.

Field Day:

Field Day, our yearly event engages our children in a day that celebrates physical activity and movement. Thank you to all the teachers and assistants who helped out.

A Special Thank You:

We are grateful to all the moms for volunteering their time, talents, and treasures to make our school a better place. Our Class Moms helped throughout the school year.

A Special Thank You:

We are grateful to all our Saint Gregory the Great parents for volunteering their time, talents and treasures to make our school a better place. A special "thank you" to all our Class Moms who helped throughout the school year. Thank for the interesting visits to our classrooms, as well as special parties, welcome teas, family socials and helping hands when needed. We are truly blest to have such wonderful families in our preschool.

IMPORTANT REMINDER:

LAST TUITION PAYMENTS AND ANY LATE FEES INCURRED DURING THE YEAR ARE DUE ON MAY 1st. ANY FAMILY STILL IN ARREARS WILL BE NOTIFIED INDEPENDENTLY.

Routines for a Special Summer:

When school is out, having a routine lets your youngster know what to expect and keep him/her from misbehaving or being bored. Help make days run smoothly with these tips.

Keep Some Things Predictable: Relaxed summer days are perfect for spur-of-the-moment fun, but try to have a few activities that repeat regularly. Your child might have a play date every Tuesday or go to the park on Saturday afternoons for instance.

Share the Plan: Each day, talk about what will happen tomorrow. You could discuss it over dinner or before bedtime. "We are going to spend the morning at Grandma's. And after that, we're going on a picnic for lunch."

Leave Wiggle Room: Set aside time each day or week for an activity your youngster chooses. Help him/her write ideas on index cards ("Play under the sprinkler," "Finger Paint," "Visit the library." Keep the cards, and let him/her pick one out.

Extended Pre K Program: June 12th to June 22nd from 8:45 - 11:30 a.m.

Closing Thoughts:

Minutes have turned into hours, hours into days, days into weeks, weeks into months, and all too soon another preschool year is over. Robert Louis Stevenson, the Scottish writer, tells us that we should not judge our days by the harvest we reap, but by the seeds we plant. Working with young children is much like that. We plant lots of seeds with every experience we offer our children, knowing that we may never personally see the harvest of all these seeds. We teach with the faith that some of the seeds we plant, added to those that the children gather from all their daily experiences, will reap a full harvest.

of knowledge that will serve them well in life. We pray that Saint Gregory the Great will in some way guide them in their growth and development. As I personally reflect over this year, I have many cherished memories, and most especially many new friends. That is what makes the end of a preschool year so bittersweet. While I am anxious for the renewal of spirit that summer brings, I will miss my devoted staff, my hard working parents, and most of all my laughing, smiling children. It is all of you that make Saint Gregory the Great a truly wonderful preschool. I am eternally grateful for all of you. With the approach of summer, I hope everyone is looking forward to all the restful and relaxing things that the season can hold. Let us return to our new school year in September 2023-24 with a fresh spirit and heightened enthusiasm for all that a new year brings, happy to be together once again. To our families who will be returning to us next year---I look forward to serving you again in the fall. To our families who are moving on from Saint Gregory the Great---it has been a pleasure to have you as part of our preschool, and we wish you much future success. I wish everyone a safe, happy and fun filled summer. God Bless All of You.

Ms. G
