The themes for the month of April: Weather (rain and clouds), Spring, and Earth Day/Arbor.

We will begin April by discussing the season of Spring. Next, we will continue to learn about word families and rhyming. Finally, we will discuss Arbor Day/Earth Day.

Math:

The numbers twenty-two, twenty-three, twenty-four and twenty five will be introduced. Cone and Pyramid shapes will be introduced. There will also be a daily review of numbers, shapes, and the identification of patterns.

Art Projects:

Some of our art projects will include: decorating pots for planting seeds, painting with pompoms, and fingerpaint a model of the Earth. These activities will develop small muscle skills, eye/hand coordination, and the development of skills for cutting and writing.

Religion:

We will help the children understand that God created the Earth and we should take care of it. The children will also be encouraged to help one another in preschool and being kind will be promoted with a "Caught Being Kind" Certificate.
