

Mrs. Sciacca's February Class News

January was a very busy month! I am so proud of all the hard work each of the children are doing each day! We are a bit more than halfway through the year, however, the gains each child has already made is incredible! We will continue to work on fostering independence and self-help skills, however, we will also be challenging the children across all developmental domains.... lets see what they can achieve in the next 4 months of school!!!

February Birthdays

Mikey 2/4

Reminders:

- Please continue to send healthy snacks; please check your child's water bottle as some continue to leak each day!
- Please be sure to check your child's folder/backpack **every** day!
- Please be sure to dress children appropriately! Sneakers or shoes with a rubber sole are best for the playground or gym time.

Upcoming events

- 2nd – Groundhog Day
- 4th – Mikey's Birthday
- 5th – PTA Meeting 9am
- 6th – Football Jersey Day in Honor of the Superbowl
- 13th – Valentine's Day – Card Exchange – WEAR RED OR PINK
- 17th – 21st – Winter Break NO SCHOOL
- 24th – School Resumes

What we are learning this month ...

During the month of February, we will learn about Ground Hog's Day, St. Valentine, Dental Awareness, President's Day and Nursery Rhymes!

We continue to use our selection of poems to learn more about our thematic units. Using various types of literature (stories, poems, Clifford Readers) to connect themes helps the children to make connections throughout the multiple disciplines.

Our activities will include theme related art projects, story retelling, and making charts & graphs to display student responses!

Our discussions in Science will learn about freezing & melting. In Social Studies, we will discuss Groundhog's Day and President's Day.

Our math lessons will include graphing, sorting, counting to 30 and using pattern blocks to create a picture.
