

Dear Parents,

As summer comes to an end, we are excited to begin a new school year with your children. We hope you and your children had a fun and eventful summer break. Your children are going to learn a lot in Room #3 during this academic, yet playful school year! I anticipate that your children will enjoy coming to school to learn, play and build friendships. They will learn letters, numbers, shapes, colors, community helpers, about our faith, etc. In September, skills to reinforce at home with your children are to know their full name, address, phone number, age and birthday. This month, we will discuss the themes: All About Me, Apples, Family, Friends and School Rules. Some books we will read include: First Day Jitters, The Kissing Hand, The Invisible String, How do Dinosaurs go to School and more! Please do not hesitate to e-mail any questions and/or concerns that you may have to [andreagerardi02@gmail.com](mailto:andreagerardi02@gmail.com).

Best Regards,

Miss Gerardi, Ms. Stephanie & Ms. Suzanne
