

Dear Parents,

Happy June! It's hard to believe that summer vacation and graduation are approaching. This school year has been a great one! We participated in many special events and activities. It has been such a pleasure collaborating with you this school year to ensure that your child was learning and loving school. All of your children affirmed my love for teaching. Your children have grown both physically and academically. It has been remarkable watching your child add to previous knowledge, gain new knowledge and try their best each day. It is sad to say goodbye to such a great group of families and students. I am happy, though, to know another teacher can enjoy your support and their company. Thank you for making my fourth year at St. Gregory the Great one to remember. I wish you a safe, fun and blessed summer!
